The architectural floor plan illustrates the Auditorium of Montalcini, featuring three main auditoriums and associated service areas. The central auditorium, **AULA MONTALCINI**, is a semi-circular space with 208 seats, labeled as an amphitheater on one level. To its left is **AULA LURIA**, also a semi-circular space with 202 seats, labeled as an amphitheater on two levels. To the right is **AULA DULBECCO**, another semi-circular space with 202 seats, also labeled as an amphitheater on two levels. Each auditorium is surrounded by service areas, including restrooms, storage, and support spaces. At the bottom of the plan, there are two reading rooms, **Sala lettura 24p**, each with 24 seats. The plan also shows various circulation spaces, including stairs and corridors, and a central entrance area. The overall layout is symmetrical, with the auditoriums and reading rooms arranged around a central service and circulation core.
